Season's Beatings! 🗨️ Welcome to Christmas Kumite , a collaboration of the entire Viola family and the Viola Karate Dojo. The tournament continues the “Laurel State” Karate legacy that Shihan Viola established in the 1970s. This is an “open” event that welcomes all styles and schools of karate, tang soo do, tae kwon do, kung fu etc. Whether you are from an Okinawan, Japanese, Korean and Chinese style background, you are encouraged to visit, compete, and make new friendships. We strive for good sportsmanship within a professional atmosphere. All our rings are matted and utilized the latest technology (uventex) to ensure accurate score keeping. Fair judging is a cornerstone of this competition. If you are a black belt from a school attending, please contact me personally so we share the rules with you and add you to the judging panel. We want to have a diverse referee core and do not discriminate from any style. If you have any questions, my personal cell phone is 724-640-2111. Merry Christmas.
